

# Meiosis Notes

## Meiosis - My Oh My

Haploid (n): half the diploid #; 1 ; 23 chromosomes

sets of chromosomes

Diploid (2n): 2 ; 46 chromosome

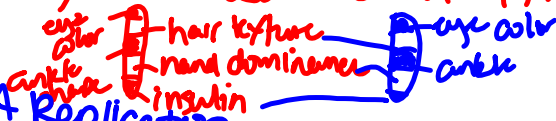

Somatic Cells: body cells; produced by Cell Cycle  
diploid

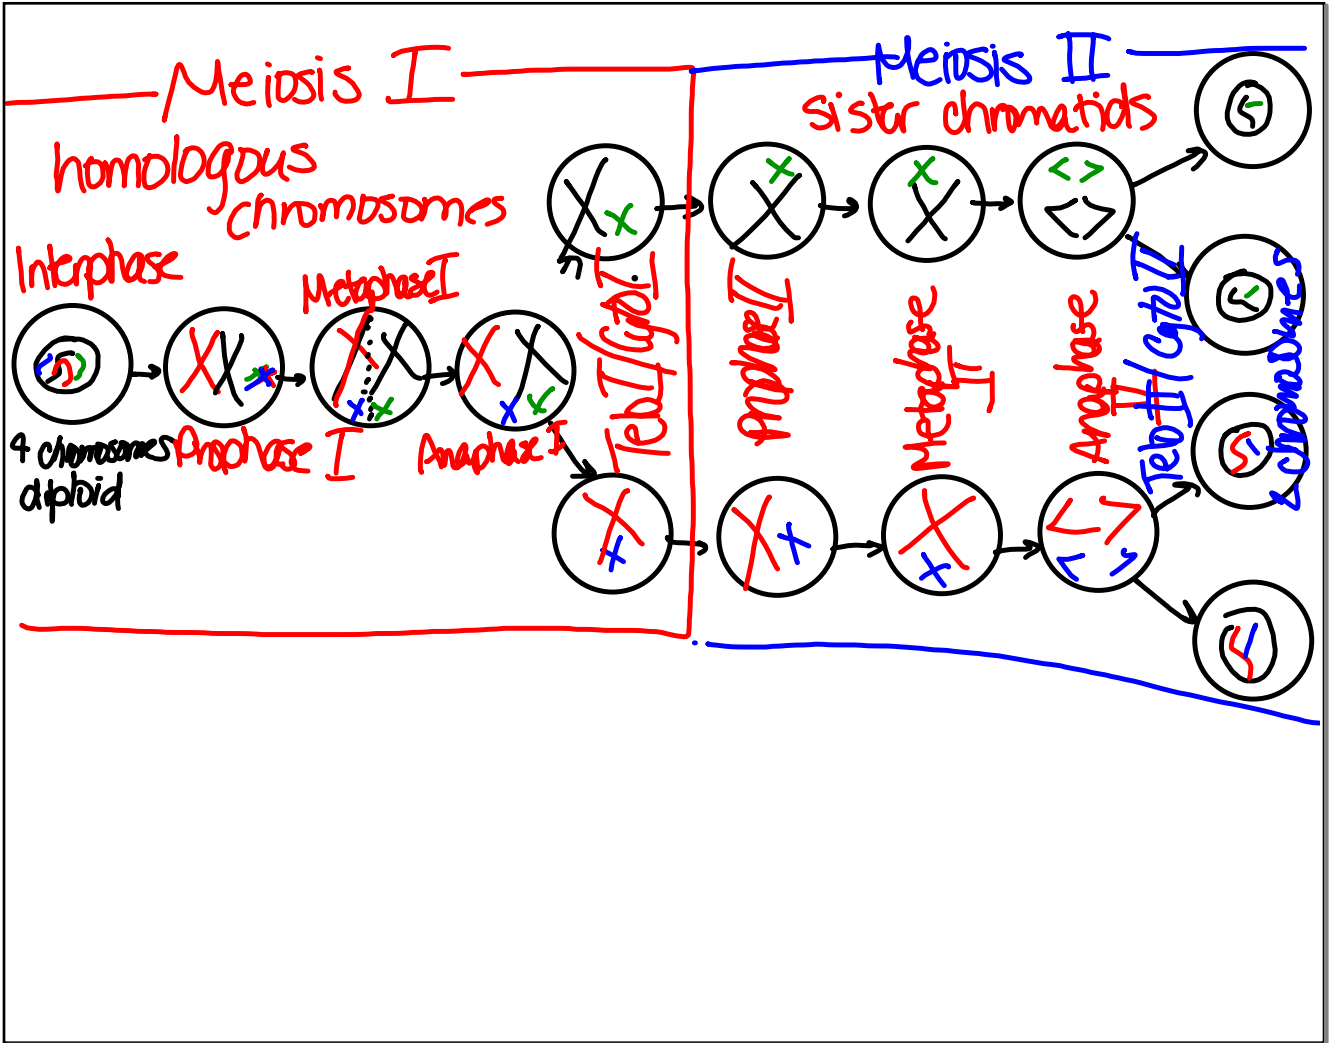

Gametes: produced by Meiosis; haploid  
Sex cell - egg cell / sperm cell

Homologous Chromosomes: diploid pairs; chromosomes with the same genes.

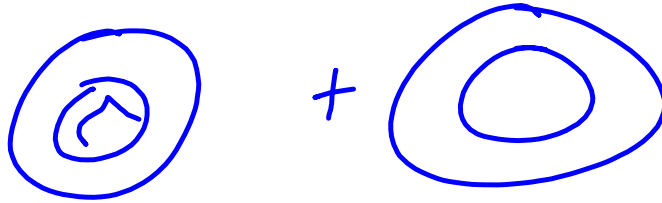

Sister Chromatids: produced during DNA Replication  
connected together; 100% identical
